“ Adam was an excellent teacher! A great singer! A Wonderful person! I'm saddened to just hear the news today as I have stepped to see if he was present in the tech center often..... when speaking with his colleague they shared he passed. He battled the illness and pain for several years and has been spared no more suffering. Adam you were a light!

“ I had the tremendous honor of knowing Adam during my years in ALIEF ISD. I was asked by Adam to accompany his last concert as Director of Choirs at Elsie High School. Such attention to detail, high-level of music making, and natural leadership he gave to the kids in the choir program. Although I am saddened to hear that he is no longer physically here, I'm thankful that he's no longer in pain. May The Ancestors Receive You, Requiem Aeternam. 🙏

“ You were the best choir teacher I've ever had. It was my favorite class and where some of the best memories of my 4 years in high school were made. You believed in me more than anyone ever had - something that had so much impact on my life and I will never forget that. I can't think of a better role model and educator that the world needs. The news hit me like a train. I pray that your loved ones find comfort during this time.
