“ *I'll never forget the first time I met you in 2015 such a beautiful person inside and out ❤️ you always felt like a grandmother to me. I had so many good memories with you I will always cherish those moments. I'll never forget when you said lord I can't wait to get out of here so I can get some collard greens and cornbread. And now theirs a missing piece in my heart because I'll never get to hear your voice again and see your beautiful smile, only through pictures of what I hold close to me now it's never a goodbye it a see you soon I love you forever.*

“ *I worked with Alberta and her laughter and positivity made her such a joy to be around. She had such a beautiful smile and great work ethic but the thing I loved about her most is the love she had for her family!*
