“ *Ms Daisy, I met you one day unexpectedly and we became friends. I visited your house soon after. Then we exchanged numbers and every now & then we talked this way. You asked me to include you in my book and I didn't finish before you passed on but you'll be the first to read what beautiful experience I had with you... I miss you but I know you are still with me...forevermore!! Bob and Danny say hi!*

“ *Daisy and I first met in the fall of 1965. We were freshmen in college and Daisy and I became friends and then best friends. Forever. She was generous with her love and understanding. Her sense of humor was such that she could make you laugh in the midst of tears. I will miss her and look forward to seeing her her in Heaven.*
