“ *It is hard to describe the compassion, the listening ear, the encourager, the confidant of my friend Debra Nickerson.*

I met her in the 80's and we had a bond every since then. She never complained even if she was going through something. She loved her children dearly.

I miss her already. But I know she loved The Lord and trusted Him to the fullest. Heaven has gained a Graceful, Loving Soul.

“ *Heaven just received an Upgrade with Debra's presence.
Such a beautiful Soul and a Grace filled spirit.
Her beautiful smile and hearty laughter will be sorely missed.
Thanking God for the privilege of knowing you and being a part of
your family.*

*Death is not the end. It is the New Beginning for those we have lost,
where they are greeted by the familiar faces of family and friends
who have passed on long before them.
It is an Amazing Transition into a new world called Heaven*
