“ *I worked with Mr. A at Iowa Colony HS this past year. We talked about our spouses, our kids and life experiences. It was 7am! I really enjoyed and valued our conversations. I will remember him for a long time. My thoughts and prayers are with this wife and family.*

“ *Mr. A, our beloved homeroom, club, and math teacher. He had a remarkable ability to make everyone feel included, turning the gloomiest of mornings into a fun and safe space. Mr. A always spoke with pride about his family and never hesitated to give us honest, sometimes tough, advice because he genuinely cared for each and every one of us.*

*I'll never forget when he surprised us by coming to our graduation in 2021, showing once again how much he loved and supported his students. Thank you, Mr. A, for everything you've done. You will be deeply missed*

“ *Mr. Alexander was an amazing and caring teacher. He made learning easy, enjoyable, and engaging for his students with very creative strategies that we, as his student, enjoyed a lot. Outside of school he was the same. Someone who was nice to be around, I remember he would come to the restaurant where I work and he would enjoy the food while catching up with his old students. It was always a joy to see him. He impacted my life in many ways, and he was a big inspiration for me to become a teacher myself. Thank you for everything Mr. A.*
