“ There are nothing but fun memories of Jeff and my family. He was funny, confident and brave. He was a giver that loved his family..I will never forget his unconditional love and the things he did for our family..My husband loved him beyond words and his absence will be hard. God has him now and we know he's safe and at peace.. Thank you McQueen family for sharing him with us.

“ I miss you and I love you, Daddy. Thank you for being a light to me through my storms and teaching me perseverance; you truly hurt me with this one. Even though I still don't understand why God chose to take you this soon, I am at peace, knowing who my God is. I THANK GOD for the memories he allowed me to create with you. Until we meet again, keep the laughter going up there. Dude, I love you 😍💕💕

To my dear cousin Jeff💔 I'm still in disbelief and can't wrap my mind around the fact that you're truly no longer here on earth with us. I know you'll be watching over us all until we meet again.
