We once loved each other. John required patience. Very hardheaded. He was mean. Very mean. And a bully. Thank God for Ricardo. He saved the whole family. The best part of our marriage was meeting John Sr.

What kind of husband brings another woman's dirty, disgusting underwear into your home? He was a paranoid narcissist. He was also childish and did not know how to express his feelings without calling you or your name. It was the worst part of my life and again, I am glad he is gone
