“ Johnny's love for God showed exactly the type of man he was!! I used to work with Johnny and all i can think about is hearing him come down the hallway singing and him telling me different stories about life. I'm still in awe of his passing but i know he is up there singing and/or humming with all the angels in Heaven. Until we meet again. Rest Peacefully my friend!

“ Johnny had a sincere heart and loved God. He loved singing and would always be humming a song. I saw him the Friday morning before he passed eating breakfast in Tirr cafeteria. We shared good mornings and I remember saying how great it was to see him. And telling him to take care of himself. There was such a light on his face. I can just imagine him singing with the angels, no more pain and suffering here on earth.

“ Johnny you will truly be missed. It was a Blessing to my husband and I to come across a kind, loving and truly funny soul as you were. I will never forget the first time we met you at TIRR, the encouragement you gave my husband, and then to run across you at TIRR Outpatient how you kept us laughing. I'm so glad a got to see you recently while my husband was at TIRR again in May I told you he was there again, and you went upstairs to see him, and left him a note with words of encouragement. Your entire family are in our prayers. You are truly one of TIRR 's angels.

*Love always,
