“ *I was saddened to learn of the passing of my former english teacher. So many times when i needed a shoulder she was there and i will never forget her embrace. She will always have a spot in my heart.*

“ *It is a blessing when one is fortunate to meet a beautiful loving family such as the Fords, as my family and I did in Sherman, Texas many years ago. I am sadden by the loss of Keisha, a beautiful soul. My family and I are sending up prayers and strength during this time to her brother Kenneth and his family, and to her dear mother and my dearest friend Vivian. God bless you today and always. Much Love, Hilary Caine and Family*

“ *Keisha and I worked together at Pershing, she and I leaned on each other as care givers. We shared stories and encouraging words to keep each other going!! She always found a way to make things light and funny allowing me to enjoy the time with my grandmother to the fullest!!*

“ My biggest memory of Keisha Ann is our roundtrip drive from Hampton, VA to Dallas, TX to swap her car for a truck. We took turns driving, slept in the car, and missed class working to get back on time. It was the best trip and we had so much fun. She was larger than life and a joy to know. I am grateful to have known her and so sad to know she is no longer with us. Sending prayers to the family in this difficult time. ~Rashida Sims

“ *I must say I was completely shocked to hear the news of Keisha’s passing. She was one of my fifth grade students at Dillingham Intermediate School and such a delight to teach! Keisha always had a smile on her face and laughed all the time. I will never forget when she asked permission to give the ever historical “I Have a Dream” speech by Dr. Martin Luther King. She stood behind the podium in my classroom and spoke with such meaning and dignity as an 11 year old girl. I saw her many times before she graduated in 1996, still smiling and laughing in Keisha style. My prayers are with her family. God bless.*

“ *My heart has been shattered into pieces after hearing about the passing of my dear friend Keshia Ann aka Big Country. I met Big Country after she moved to VA. We worked together for a few and then became very close friends sharing jokes, cries, laughter, and fears. I admired her bravery in moving across the country from Texas to VA after picking NSU to pursue her post secondary educational dreams. I am for ever grateful to God for allowing our paths to cross and for blessing me with a true dear friend until the very end. I will miss you and love you always. ~Celeste*
