“ *I was a student of Ms. Symonette at West U and was thinking of her recently as part of my fondest childhood memories as she always made a safe place for me at school. My favorite memories were coming to her classroom with extra snacks to share and her gifting me one of my most cherished stuffed animals, a brightly colored caterpillar toy. I'm incredibly grateful to have been a student of hers and to have these precious memories. I'm sorry to have not take the chance to reconnect sooner before her passing, may she rest in peace.*

“ I have such fond memories of Linda. We were neighbors, living across the street from one another. In fact, we were born in the same month, day, and year. Linda and I were best childhood friends. We played and did mostly everything together. If you saw one of us, you'd most likely see the other. She was friendly, kind, and sweet. I couldn't have asked for a better friend. We shared some wonderful unforgettable childhood experiences. I'm truly blessed to have known Linda and I thank God for her. With heartfelt condolences to the family.

Sincerely,
