“ *I cannot express how important Marva was as a member of the night shift in FICU. She kept us all going with her support, her smiles, with just being her. Her patient care was superb + we all learned from her just by her example. I'm sending love+ a hug to Cayla + Jaylon. Marva was so proud of them + I loved hearing about them + actually had the honor or meeting them many years ago. Sent a prayer to my mother to keep an eye open for Marva! What a pair if Angels they must be up there.*

“ *I first met Marva in 1988 at the beginning of my nursing career. Little did I know at the time, that not only would she contribute to the success of my career but become a cherished member of my family. Her family was my family. We watched Cayla and Jalon grow into the beautiful adults they are today. Marva was like a second mother to me. Her wisdom and knowledge of life meant the world to me. You, Marva will be truly missed by me, Alex (your Gemini partner in crime), Chanel and Pat (nana). Rest in peace until we meet again...*

“ I worked with Marva for so long and she taught me so much. She taught me how to really care for patients. We had nicknames for each other— none of which I will mention here. I could write a book on the shenanigans we took part in at work and away from work too. She was a great mentor, teacher and most of all— my friend. I will miss her!! Condolences to her kids and grandkids. She really loved her family. May you all have some peace in knowing what a great person she was and the real impact she made in so many of our lives.

“ I worked with Marva at night in CVICU and she treated everyone the same. Joking with all to find your comfort level. I remember her cute ponytail and I once asked if she had Indian in her blood. She was a beautiful woman both inside and out. Rest in heavenly peace. To the family my deepest condolences 🌸

“ I started in Fondren CVICU in 1983 as a nurse on night shift with Marva. She was a blessing to us all and taught us all so much! She was never “just a PCA”. She was a rock and kept us all in line. She could make you laugh and make you cry. I will never forget the first time I made a bed with her. She ripped the sheets off the bed and showed me the “right “ way to do it. I have pictures of her holding my babies after they were born. She was a precious jewel and know she is now a precious Angel showing the angels how to soar. She was loved by all and will be sorely missed in this life but we will see her in the next. Rest easy my friend.

“ I am a nurse and worked with Marva for 4 years in Fondren CVICU. She was one of a kind! Caring, supportive, strong, intelligent, witty and loving. She was a mentor, a co-worker, a friend. She taught me so much and there were nights back in the day when I am not sure we could have made it through the shift without her. Marva touched so many lives and I know I am a better person and nurse because of her. I wish we had kept in touch, but she has always had a special place in my heart. Your work is now done. Rest in peace.

“ I was Blessed to work with Marva in the FICU when I started my nursing career. She supported all the new staff that came to the FICU. I am appreciative for all she taught me and for looking out for me. Prayers for her and for all her family and friends.

“ I had the privilege to work with Marva for almost 4 years. She taught me how to do every dressing, how to move patients, how to care for the patients. She and I would always talk about my daughter and her grandson because they were the same age. Marva loved her quarter pounder with cheese if she saw us going to the tunnels to go to the McDonald's. She was tough and was the best. She made me a better nurse!!

I worked in FICU with Marva, my first year at HMH. She was so much fun to work alongside-and we worked HARD! Marva loved the patients and was good to everyone! She had a quick smile and a contagious laugh! Marva taught me so much! I blessed to have known her!

I was blessed to have Marva in my life after my nephew-met and fell in love with her beautiful daughter Cay. She was a beautiful person inside and out. Over the years, we made beautiful family memories. The Davis Family, Birmingham, AL appreciates the love she shared for our nephew-her son-in-love Keith and his family; we lovingly called her Granny. We will miss Granny, but realize she is home with our heavenly Father. Love, Lessie Davis Rodriguez

“ I worked with Marva in Fondren CVICU. We hardly talked because she worked nights. I know she was respected and revered by many of the staff. Sweet smile. It was a pleasure and a privilege to have known her. My prayers go out to her family and friends - Chris Chip
