“ To the Green Family:

Hello, to you all...

It saddens me to here of Mary(Bee's) closing of the day from this place but I feel relieved that she has gone to a special place of rest where there she will have no more aches sadness pain or sorrows worries and resting in peace until Our Lord and Savior Jesus Christ come back for His children's...

If Bee was the same as I remembers her, I know that she had a good life and lived it to the fullest...

I know you are all going to miss her, but try to lean on Our Father In Heaven knowing He will take exemplary care of you all and sister Mary as all good Fathers take good care for their child when it comes home...

Mary grew up and blossomed as the perfect Rose as just as that beautiful Rose has a life cycle so did Mary...

Remember, God's word tells us, we didn't come to this place to stay, that we are all just passing through...

So, I leave each of you with this, all of you continue to take good care of yourselves and each other but always trust in God and always hold onto God's unchanging hands... God got you all and He will keep each of you in His care... He will never leave either of you nor forsake either of you... Please, find comfort in Him cause He will take care of you all and your sister Mary!!!

I love each of you and if I could have been there for you, would have..

Call me please @ 504-877-2378 and if you have an extra program will you please mail it to me at: 113 - C Teakwood Drive,
