“ Robert was a gentleman in every sense of the word. He lived his life with integrity and with a defined sense of purpose. He worked behind the scenes to benefit and to improve every organization in which he was involved -- particularly the Houston Livestock Show and Rodeo. He lobbied for and was instrumental in the creation of the Show's Black Heritage Committee. Houston, HLSR, and the world is a better place because Robert Fleming came our way.

“ Robert always took good care of me when I worked with him at the Rodeo. I loved making him laugh, even when I didn't mean to! I am so sorry for your loss.
