“ *CT was my father and he abandoned me in Kansas in 1987. When I was 8 years old, he came to my house driving a red corvette and wearing a leather trench coat like Shaft. First and last time I ever saw him, though I did speak to him by phone a few times over the years. He paid child support and I received Tricare until I turned 18. I have several siblings and an entire family whom I've never met. May God have mercy on his soul.*

“ *I had the pleasure of working with and for C T during this time with the state. Davis was a very honest and straightforward person never wavering in any decisions which is rare in the correctional profession. Boy did he love those vetts. Godspeed my friend.*
