“*Mrs. Dixon was the greatest teacher I've ever had. She was such an amazing person and her energy was so radiant; it was almost like she was a beacon of light. She had the upmost kindness and you could just tell her heart was filled with so much love. I decided to search for her just to check back in on my old teachers and I was heartbroken by this news. She'll be missed so much, she was such a great person and had a positive impact on my life. I'll forever remember her and she'll never be forgotten. Rest in peace Stacy Yolandia Dixon. You will be missed.*

“*Our deepest condolences and prayers to her family. We were blessed to have had Mrs. Dixon as our daughter's kindergarten teacher a few years ago. She was an amazing teacher and mentor to our daughter especially after the COVID shutdown that was a challenge for everyone. She will be truly missed by all of her family at SCE including her former students.*

“ We are so grateful to have had the privilege of Ms. Dixon leading the adventure of primary school for our son. He was head to toe all smiles about school every single day, saying how much he loved it and really enjoyed his experience in class. Ms. Dixon proved to be such a caring, thoughtful, patient and dedicated beacon of education and guidance to our lucky kiddo and we will ALWAYS celebrate her success, her achievements, her nature, her very being with that bright smile she always carried and all the fun hairdos she sparkled under. She was a love and a gift to us and every child who's ever had the chance to be taught and guided by her. To her family, be proud. She was a stunning contributor to society, to children, to her staff and school. May she rest in peace. We are forever thankful.
