“ On behalf of the Couisnard Family, we would like to offer our deepest condolences to the Calhoun family. Your mother was a great joy to be around. She was kind, energetic and caring. She did things in excellence and with pride. We are grateful that she trusted our organization with her children during our summer programs, camps, church events, internships, etc. She loved her family. Veronica will truly be missed. As we continue on through this difficult time and grieving process, cherish the fond and loving memories. We are here for you, just a call away. We are truly sorry for your loss. We Love Yall! She will forever be in our hearts.

“ I remember meeting this family on Prospect Street. Veronica was always smiling you couldn't help but smile back. She had a very big heart and was the only person I let take my daughter anywhere outside of my family, I got her dressed and Veronica polished her nails and took her to have pictures taken. I will never forget that smile! Sending our Condolences and love to the family. Sharon Payne & Mae ❤️ Rest in peace, Veronica

“ Veronica! A positive beautiful radiant bright light! She opened her heart to love so many. It's so hard now to imagine this life without her, but we are not a family without hope. This beautiful, smart woman planted her seeds and gave them all they need to flourish (unconditional love). Her spirit will live on in us all until we meet her again. Until then, we will watch over and support your grandbabies. We love and miss you, Veronica!

“ I had the pleasure of working with Veronica and Chass at BB Lemon and boy did we have a good time there! She was always so kind, friendly, hardworking, and just such a refreshing soul. I also got to see her again at Chass' housewarming party where we got to reminisce about the good ol days! I was completely shook when I heard of her passing, I will forever remember her kindness and her voice! She was incredibly loved. Sending my most heartfelt prayers and deepest condolences. RIP Auntie V!! You will be missed is an understatement. Much love!

“ To my dear wonderful aunt Veronica. My favorite thing about our family gatherings were always you. I can hear you now walking into a room saying "hey Patrice" and the room was never quiet with you around. You were a one of a kind individual and you loved laughing at my dogs and their nonsense lol. We lost a precious gem in this family, you will be truly missed by me, Keith, Abby and Donnie. Love your one and only niece Chassidy "Patrice" Hurd-Calhoun 💜💜

“ In loving Memory of my Daughter Veronica

I am here today to say goodbye to my daughter, Veronica, and I am terribly heartbroken. She was a beautiful, lively daughter who was snatched from us far too soon. However, Veronica's memories will always be a part of us.

I know you are up in heaven now, waving down to us with a beautiful smile on your face. Goodbye, my dear baby.

Mom, I love you forever.

“ *I heard that you had passed away, for a moment I felt sad. I began
to think of selfish things like the time we never got to share. GOD
spoke to my heart and caused me to pause reflect on the moments
we did share. In that I reflect and I am grateful and thankful to have
a wonderful loving person as a sister with the moments we did
share. Until we meet again Love, your brother. Brian Keith ❤️*
